

## Molecular Subtype

- |                   |
|-------------------|
| ATRT, MYC         |
| ATRT, SHH         |
| ATRT, TYR         |
| BRAF V600E        |
| H3 G35            |
| H3 K28            |
| H3 wildtype       |
| IDH               |
| IHG               |
| KIAA1549---BRAF   |
| MB, Group3        |
| MB, Group4        |
| MB, SHH           |
| MB, WNT           |
| Oligodendroglioma |
| Other alteration  |
| Other MAPK        |
| PXA               |
| SEGA              |
| To be classified  |
